HIGHER EDUCATION ADMINISTRATION

Interim Dean, School of Graduate Studies and Research (August 2025 – Present)

CURRICULUM VITAE

Ronald Coleman Williams, Ph.D.

2024 USM Regents Faculty Award Recipient for
Excellence in Public Service.

<https://www.linkedin.com/in/ronaldcwilliamsphd/>

HIGHER EDUCATION ADMINISTRATION (CONT.)

Appointed to lead the newly established School of Graduate Studies and Research, which unifies graduate education, sponsored research administration, and faculty development under a single academic and administrative framework. Responsible for advancing institutional research capacity, overseeing graduate program quality and compliance, strengthening faculty research engagement, and fostering strategic partnerships that promote innovation, community impact, and economic mobility. Leads the development of data-informed systems, assessment frameworks, and cross-disciplinary initiatives that align with Coppin State University's mission as an urban, community-engaged institution.

Founding Director, Center for Strategic Entrepreneurship (December 2020 – August 2025)

Interim Dean, College of Business (July 2013 – July 2017)

- Department of Accounting and Management Information Systems
- Department of Management and Marketing
- Department of Sport and Entertainment Management

B.S. Degree in Entertainment Management (2008 - 2013)

Developed and implemented the degree program in entertainment management

B.S. Degree in Entertainment Management (Cont.)

Concentrations:

- | | | |
|----------------------------------|--|--|
| • Music Entertainment Management | • Motion Picture, Television, and Video Entertainment Management | • Casino and Gaming Entertainment Management |
|----------------------------------|--|--|

Chair, Department of Management and Marketing (December 2011 - June 2013)

- B.S. in Management Program (with Online Option)
- B.S in Marketing Program

SELECT COLLEGE OF BUSINESS LEADERSHIP ACCOMPLISHMENTS

Accreditation, Assessment of Learning, and Awards

- Acquired Accreditation Council of Business Schools and Programs (ACBSP) accreditation (no conditions, no notes)
- College representatives were invited to present best practices in three of six standards at the 2016 ACBSP National Conference

Accreditation, Assessment of Learning, and Awards (cont.)

- Established a culture of assessment by implementing dedicated “assessment days” each semester
- Identified as one of the “2015 Top 50 Small Business School Programs” by the Business Research Guide
- The Sport Management Program identified as one of the “2015 Top 20 Sport Management Programs” by the Business Research Guide
-

Corporate, Governmental, and Community Relations

- Times Community Services, Inc. Sponsors the COB Speaker Series each semester that has brought over 150 business leaders to campus over three years

SELECT COLLEGE OF BUSINESS LEADERSHIP ACCOMPLISHMENTS (CONT.)

- Established the Economic Inclusion Conference at Coppin (EICAC) that brought over 350 representatives from government, corporations, community organizations, faculty, and students together in 2016
- Established relationships with the Department of Commerce (DOC), Minority Business Development Office, Economic Development Agency, the United Patent and Trademark Office, and other federal agencies meeting directly with DOC Secretary of Commerce Penny Pritzker

Corporate, Governmental, and Community Relations

- Developed a 12-week financial literacy program for New Psalmist Baptist Church
- Hosted a three-day conference on "Transformational Leadership in Higher Education" for 14 heads of institutions of higher education from Nigeria.
- Executed and Memorandum of Understanding with Open Works (34,000 sq. ft. community innovation space), establishing the College of Business as the first public HBCU to have such a relationship.
- Established a Memorandum of Understanding with The Greater Black Baltimore Chamber of Commerce for student career development.
- Established the first Dean's Advisory Board
- Developed the "College of Business Relationship Management Framework" known as "The Engagement Pyramid" developed by Gideon Rosenblatt, former Executive Director of Groundwire enabling the college

Corporate, Governmental, and Community Relations (continued)

to categorize all relationships by outcomes, while mapping them to stakeholders, the BG Model, and faculty research interests.

Professional Development and Research Development

- Established the COB Professional Development Committee
- Implemented an Individual Development Plan process for all faculty career coaching
- Increased faculty development efforts by establishing the Professional Development Committee
- Held Online Teaching Webinar for Faculty: Virtual Presence Inspire and Engage in the Virtual Classroom and Beyond
- Established "Faculty Research Interest Matrix" to encourage intra-college research collaboration and appreciation
- Established the "Data Works: Boots on the Ground Business Intelligence" including Community Walking Labs involving faculty, students, community, and corporate stakeholders

Academic Innovation and Transformation

- Developed the BG Model for Successful Academic Enterprise as a success framework for the College of Business's strategic direction
- Established plans for the MOS certification pilot
- Facilitated the development of a comprehensive enrollment management plan
- Received approval for new Sport Management concentrations

SELECT COLLEGE OF BUSINESS LEADERSHIP ACCOMPLISHMENTS (CONT.)

- Received approval for the Certificate Program in Entrepreneurship and Innovation Management (including two new courses)
- Updated the College of Business website to reflect entrepreneurship emphasis
- Developed Economic Inclusion website, including “Student Innovation Pitch Tutorials”
- Established Coppin as an innovation hub by building its entrepreneurial ecosystem including:
 - Center for Strategic Entrepreneurship (CSE)
 - Data Works Program at Open Works
 - Certificate in Entrepreneurship and Innovation Management
 - Economic Inclusion Conference at Coppin EICAC
 - Global Entrepreneurship Week Activities
 - Community Walking Labs for Boots on the Ground Business Intelligence
 - The Business Innovation Showcase

Student Achievement, Recognition, and Engagement

- Students received a Global Top 100 ranking for their company's BSG performance during the week of 18-Nov-13 through 24-Nov-13 by attaining a number one industry ranking for their team out of 4326 teams from 292 colleges/universities participating in the simulation worldwide
- Sport Management Students were recognized by the Baltimore Sun for #hastaglunchbag program to feed the homeless
- College of Business Student Team wins first place in the 2014 Proctor and Gamble Innovation Case Competition, besting UMBC, Towson, and Stevenson Universities
- Students participated in the Supplier Diversity and Inclusion Week which included shadowing with Mayor Stephanie Rawlins-Blake
- Established the Student Advisory Council consisting of student leaders from all COB student organizations and their advisors
- Facilitated the launch of the Business Leaders of the Future Program
- College of Business/Department of Natural Science Student Team won the Carnegie Mellon Allegheny Clean Technology Fan Favorite Award

Internal Communication and Shared Governance Innovations

- Established the Council of Committee Chairs
- Implemented the Dean's Update (Distributed frequently during each semester)
- Established the Next Level E-news Letter (distributed bi-annually)

Fundraising

The following organizations have made private donations for scholarships and programming since July 2013:

- Capital One Bank
- PRT Foundation
- MakerUSA/NACCE
- Innovation Factory
- PNC Bank
- The Federal Reserve Bank
- The Annie E. Casey Foundation
- Equitech Growth Fund (TED)

CURRICULUM VITAE

Ronald Coleman Williams, Ph.D.

2024 USM Regents Faculty Award Recipient for
